During my absence, my colleague, Bruce S. Heming, acted as Editor. I am pleased to have this opportunity to thank him for his thorough and enthusiastic service.

French translations of abstracts were provided by J. C. Lacoursière, of my Department. J. S. Scott and D. Shpeley read proof, as requested, and assisted in other ways, as well.

The Publications Manager, Mrs. S. Subbarao, provided excellent service, both in production and in management of day-to-day operations of the office.
